Dear Local Members:

Your union brothers and sisters to the south have been following your strike through the PSAC and UNW websites. We recognize that today is Day 18 of your strike against BHP Billiton – Ekati Mine. This employer, which is based outside of Canada, shows a total disrespect for its workers. This has been done in various forms; a major instance being wage discrimination. This employer has a million-dollar-a-day profit record and yet it withholds fair wages and benefits from our members.

The PSAC - Prairie Region, supports your actions against this draconian employer. Keep your picket lines strong!

In Solidarity,

Robyn Benson
