

## Labour's Vision for the Economic Crisis - Press Conference

On January 27th, the Harper government will present a federal budget to Canadians. Although the Harper government did not consult Labour while seeking input for their stimulus package, Labour does have a vision to tackle the economic crisis.

**The PSAC, in partnership with the Northern Territories Federation of Labour, will be holding a press conference on Wednesday, January 21st, at 10 a.m. in the Yellowknife Regional Office boardroom, to share alternatives to the Harper government's agenda.**
