

PSAC NWT Aboriginal Peoples Committee
DRAFT 2011 Budget Proposal

PSAC NWT Aboriginal members have been meeting since June 2008, to provide a stronger voice for Aboriginal members in the NWT. The committee has hosted its annual Aboriginal Day pancake breakfast for several years and will continue with the tradition in 2011. Other priorities the committee identified are: assist Alternatives North with lobbying the GNWT to implement an anti-poverty strategy for the NWT, host annual Sisters in Spirit Vigil in honour of missing and murdered Aboriginal Women, and work with other community organizations such as the Dene Nation and North Slave Métis to advance Aboriginal rights. Also the Aboriginal Peoples Committee is working on developing a pamphlet to raise awareness of the committee and help with recruiting new members.
